This document has the cutting diagram for all of the 2x4 wood pieces. The 2x - 12' 4x4 legs will be divided into 4 3' segments per piece (2). The 7x 4' 1x2 bottom boards will be divided into 1 3.67'segments per piece (7).

Note: the wasted wood is denoted as the grey area

That area can be used as "sacrificial wood" if needed
